

Barco SLM R10 Projector

The Barco SLM R10 provides a compact, multi-purpose solution for any event. Its sleek black chassis is equipped with a 3-chip Digital Light Processing™ (DLP™) subsystem, which features SXGA resolution Digital Micro Mirror Devices™ and a state-of-the-art optical system. With its 10,000 ANSI lumen light output, the R10 is ideally suited for mid-range applications and an excellent choice for the demanding environments of rental and staging events.
