

VISTA SPYDER

Over the past few months, the Spyder has successfully been used on several events and has impressed our clients and our team alike. As Avcom Staging is the only audio-visual company north of Sydney to own a Spyder, it's arrival has created a buzz within the Meetings and Events Industry in Queensland.

All of Avcom's technicians have received thorough training and are highly skilled in its operation. The Spyder has numerous capabilities and can move your show in directions never before possible.

If you have any queries or would like a **complimentary demonstration** of Avcom Staging's Spyder 344, please contact the Avcom Staging team on **07 3907 0033** or sales@avcomstaging.com.

QUEST NEWSPAPERS - ICE AWARDS

The Ipswich City Employee (ICE) Awards were held Friday 16th May at Brothers Leagues Club, Raceview. Avcom provided all of the lighting and video for the evening. Our client was most impressed with the outcome...

"Thank you for all your great work with the ICE Awards event last Friday night. From all accounts everyone had a ball... Thanks again and look forward to a great year of events."

"GOLD CLASS" EVENT

Last month, Avcom Staging was called in to provide one of our mid-range projectors for an event held at a Greater Union *Gold Class Cinema*. As a higher quality projector was required for the conference, we supplied one of our Panasonic 5600 Digital Light Projector's which provided a crystal clear picture. Our client was impressed with the quality and size of image without the big price tag.

NEW EQUIPMENT

Below is a list of our latest equipment:

Theatrelite 6 Channel Lighting Desks and LSC RedBack Dimmers
Panasonic D4000 Digital Light Projectors - 4000 ANSI Lumens Brightness

With the acquisition of our new equipment, we are further cementing our ability to provide high end equipment aimed at small to medium sized conferences and events. The Theatrelite 6 Channel Lighting Desks along with the RedBack Dimmers are a perfect combination for any venue that does not have 3 phase power.

Please contact us on **07 3907 0033** or sales@avcomstaging.com if you have any queries regarding our new equipment.
