## NEW MULTI-MEDIA SYSTEM - NOVOTEL TWIN WATERS RESORT

Avcom Staging, in-house event and specialist technical services supplier to Novotel Twin Waters Resort, has recently integrated a new **Crestron** multi-media presentation system into the resort's conference facilities. This state-of-the-art, automated audio-visual system offers unsurpassed flexibility and convenience to the complete range of multi-media presentation clients.

Installation includes:

- Wireless projectors (ceiling mounted), along with fully automated / synchronised screens in multiple room orientations
- Complete wireless presentation applications, eradicating the need for signal cables when used with wireless enabled laptops
- The Crestron system allows presentations to be linked simultaneously in all conference rooms

- Full flexibility in sound, allowing each audio system to be run separately or combined throughout meeting rooms and zones
- Multiple Input and Output Wall Patch Panels in each room offering the user a wide range of connectivity options for sound, IT and video applications
- Control of all systems, including house lighting, through local touch panels or via **Web**, allows Avcom full control from any of our three offices in Brisbane and on the Sunshine Coast

For further information on Avcom's new multi-media system at Novotel Twin Waters Resort, please call 07 5450 9523 or email [events@avcomevents.com](mailto:events@avcomevents.com).

## RACQ 150 MUST DO'S IN QLD

On 18th November 2008, RACQ launched their 150 Must-Do's in Queensland Campaign at the River Room, Southbank. The campaign, celebrating the State's 150th birthday, was launched to encourage people to vote for their favourite must-do experience in Queensland. The event was attended by the media, 'must-do' nominees, sponsors and tourism partners. Premier Anna Bligh officially launched the campaign.

Intense sunlight, low ceiling and virtually no rigging capabilities necessitated the use of a plasma panel - 2:1 ratio, along with 4 external screens. The shape (2:1) of the plasma panel was inspired by a road direction sign, aligning with the event's logo as seen below. Our Spyder System was used to control the plasma wall and four external screens. For sound, our new Nexo Speaker System, consisting of 2 Nexo LS400 Subs and 4 Nexo PS8 Full Range Top Boxes was also used for the launch.

Our team produced a flawless event, achieved by using our Spyder System. For more information on our Spyder please [click here](#).

## RALLY QLD RETURNS TO SURFAIR MARCOOLA BEACH

**Rally Queensland - 2006, 2007, 2008 & now 2009**

The previous success of this event has now been rewarded with Rally Queensland's promotion to international status in 2009. The FIA Asia-Pacific Rally Championship will be hosted at SurfAir Marcoola Beach for its fourth year. SurfAir is Rally's official headquarters for the race and for the 5 days leading up to race days on the 9<sup>th</sup> & 10<sup>th</sup> of May, Rally QLD take over the accommodation and conference rooms to ensure that race days are smooth and successful.

For further information on this event or to contact our team please call 07 5408 0907 or email [suncoast@avcomstaging.com](mailto:suncoast@avcomstaging.com).

## RACQ AUSTRALIA'S BEST CARS ANNOUCEMENT

Held in December 2008, the RACQ Australia's Best Cars announcement was designed and operated by the Avcom Staging Team. Attended by 100 media and automotive industry representatives, the event displayed Australia's 12 'Best' cars at the Piazza, Southbank.

Due to the un-even floor surface of the Piazza, constructing a stage for the event proved to be quite difficult. Our specialist staging supplier accepted the challenge by creating a level surface to assemble the revolving stage on. Adding to the challenge were the varying weights of the vehicles, requiring the revolving stage to hold a maximum weight of 3.3 tonne. The stage showcased the cars one by one and was a great feature of the event.

Responsible for show design, vision, sound and lighting, our team staged an impressive event for RACQ. The event ran seamlessly with the 12 cars taking centre stage at the Piazza!

## DEBRA CONFERENCE AT CROWNE PLAZA PELICAN WATERS

Crowne Plaza Pelican Waters are holding an event in June that has really touched the staff's hearts. DebRA Australia is an organisation helping adults and children with the rare skin disorder Epidermolysis Bullosa (EB). If you would like to make a donation or find out more about EB, please visit the DebRA website – [www.debra.org.au](http://www.debra.org.au).

2009 is proving to be a very successful year for Crowne Plaza Pelican Waters, with numerous events booked over the coming months. Avcom Staging is working closely with the resort to produce the highest quality conferences and functions. To contact our team at Crowne Plaza Pelican Waters, please call 07 5408 0907 or email [cppw@avcomstaging.com](mailto:cppw@avcomstaging.com).
