SUNSHINE COAST

innovative concepts, the best team,
the finest equipment...

As one of Australia's leading event staging organisations, Avcom Staging specialises in supplying first class technical and creative event services to a diverse range of clients from both national and international origins.

professional service

In 2001, Avcom was invited by Accor to join the Novotel Twin Waters Resort team as the in-house audio-visual specialists based at the resort. Avcom was chosen not only for their high level of expertise, but also for their strong awareness of the "Importance of Hospitality" and their shared vision with Novotel Twin Waters Resort ...

"We are the difference".
